Introduction

The creation of an Irish freedom charter – a charter for justice and peace in Ireland, a charter that brings together the demands for political and social and economic freedom – was first raised by Gerry Adams during the peace process.

For Sinn Féin, political freedom is nothing if it does not embrace political, economic, social, cultural and human rights. Parity of esteem, equality of treatment and full human rights must be guaranteed for all.

Gerry Adams was looking to the ANC's Freedom Charter when he proposed one for Ireland. Just as the ANC's Freedom Charter actively involved the people of South Africa in formulating their own vision of an alternative society, we hope that this document can stimulate debate and develop firm proposals on what sort of society people want for Ireland.

These include:-

- Equal rights for all;
- Democracy – making it representative, accountable and responsive to people's needs;
- Actively opposing discrimination;
- Children's rights;
- People with disabilities reaching their potential;
- Public services, housing, health care and education;
- The right to work - employment and trade union rights;
- Natural resources and the environment;
- Justice, the judiciary, policing and public safety;
- Ireland's role, rights and responsibilities internationally.

We also have a responsibility to build an inclusive society which addresses the political

allegiances of unionists and guarantees their rights and entitlements so that they have a sense of security and a stake in the new Ireland.

This document is not a tablet of stone. It is a framework of principles that we believe should be enshrined as rights in a progressive society. There may be others. There may be useful clarifications or changes needed. But we hope that readers will see this document as a vehicle for debate, as a vehicle for change.

Sinn Féin will be proactively engaging with all sections of society – from community and trade union groups to voluntary organisations and all shades of political opinion throughout the island of Ireland.

We want to hear your views – whether as individuals or members of representative organisations. We want to encourage discussion. We want to stimulate ideas. We want a Charter for Rights for All.

Democratic Rights for All

1. The people of Ireland have the right to national self-determination.
2. The Government of Ireland shall be democratically elected, composed of the elected representatives chosen by the sovereign people through universal suffrage
3. Every Irish citizen at the age of 16 shall be entitled to vote in all elections and to stand as candidate for public office.
4. All necessary measures will be taken to ensure the right of all sections of society, particularly women and also minorities, to fair, full and equal participation in public life. This must include participation in decision-making processes and access to power.
5. Elected representatives shall be entitled to and accorded fair, full and effective participation in the governance of Ireland.
6. The people have the right to a truly responsive democracy and to expect a government to expedite action to redress legitimate grievances. All people, regardless of socio-economic status, will have the right to access and influence decision makers. They also have the right to be involved in shaping the decisions that affect them.
7. The people have the right to good governance. Policy decisions must be made on the basis of public-good criteria, taking full account of all associated direct and indirect social and economic costs, and not dominated by private profit motive.
8. Government shall be responsible and accountable to the people for the proactive implementation of their rights.
9. Government shall be accountable to the people and be based on openness, transparency and effective freedom of information legislation.
10. Political institutions will be accountable to and representative of the people.
11. All public policies shall be equality proofed, poverty proofed and human rights proofed and based on international best practice.

3 Rights for All

“The Republic guarantees religious and civil liberty, equal rights and equal opportunities to all its citizens, and declares its resolve to pursue the happiness and prosperity of the whole nation and of all its parts, cherishing all of the children of the nation equally and oblivious of the differences carefully fostered by an alien government which have divided a minority from the majority in the past.”

– Proclamation of the Republic, 1916

“We declare that the nation’s sovereignty extends not only to all the men and women of the nation, but to all its material possessions, the nation’s soil and all its resources, all the wealth and all the wealth-producing processes within the nation and... we affirm that all right to private property must be subordinate to the public right and welfare.”

– Democratic Programme of the First Dáil, 1919

- The founding principle of the Republic proclaimed in 1916 is to cherish all the children of the nation equally and to share a peaceful future embodied in a united and democratic state, underpinned by indivisible common values of human dignity, equality and justice, is our goal. The ultimate guarantors are the people of Ireland.

- We commit ourselves to the fullest promotion and protection of rights through a process that aims to advance national reconciliation, underpin political democracy, promote and develop economic democracy, and provide for the comprehensive, systematic, effective and entrenched protection of all rights outlined here.

- For many citizens the political institutions on this island are exclusionary, inaccessible and unaccountable.

- Sinn Féin believes that this Charter will contribute to a wider endeavour to harmonise and enshrine the rights of all people on the island of Ireland and affirm as individual and universal the values of human dignity, equality, justice and freedom.

- We pledge ourselves to work until the principles of democratic governance and human rights that are set out here gain maximum expression.

Réamhrá

Le linn phróiseas na síochána d'ardaigh Gearóid Mac Ádhaimh, don chéad uair, ceist chairt síochána d'Éirinn – cairt a bhainfeadh le ceartas agus síocháin agus a fheidhmeodh mar nasc idir na héilimh ar shaoirse pholaitiúil, shóisialta agus eacnamaíochta.

Dar le Sinn Féin, ní fiú an rud an tsaoirse pholaitiúil muna mbíonn cearta polaitiúla, eacnamaíochta, sóisialta, cultúrtha agus daonna san áireamh inti. Caithfear urra a bheith ann go mbeidh cothroime sa mheas agus cothroime sa slí ina chaitear le daoine chomh maith le hurra go mbeidh cearta iomlán daonna ann do gach duine.

Bhí súil ag Gearóid Mac Ádhaimh ar Chairt Saoirse Chomhdháil Náisiúnta na hAifrice (ANC) nuair a mhol sé cairt dá cuid féin d'Éirinn. Faoi mar a bhí lámh ghníomhach ag muintir na hAifrice Theas ina gCairt féin agus san fhís a bhí acu sochaí dhifriúil a mhúnlú, tá súil againn go spreagfar díospóireacht ag an cháipéis seo. Tá súil againn, fosta, go spreagfar moltaí daingne faoin saghas sochaí a theastaíonn ó mhuintir na hÉireann.

San áireamh tá :

- Cearta comhionannacha do gach duine
- Córas aonlathach atá ionadaíoch agus freagrach agus mothálach ar éilimh na ndaoine
- Cur i gcoinne an idirdhealaithe
- Cearta do pháistí
- A bhféinchumas á shroichint ag daoine míchumasacha
- Seirbhísí poiblí, an tithíocht, seirbhísí sláinte agus oideachas
- Ceart oibrithe – fostaíocht agus cearta ceardchumainn
- Acmhainn nádúrtha agus an timpeallacht
- Ceartas, na cúirteanna, an phóilíníocht agus

sábháilteacht phoiblí

- Ról, cearta agus dualgais idirnáisiúnta na hÉireann

Tá sé de dhualgas orainn freisin sochaí cuimsitheach a thógáil chun dul i gceann géillsiní polaitiúla na nAontachtóirí agus chun a gcearta is teidlíochtaí a ráthú, sa dóigh go bhfuil céadfa sábháilteachta acu agus suim acu san Éire Nua.

Ní cáipéis dho-athruithe ach cnámhlach prionsabal atá inti seo. Creidtear dúinn gur chóir na cearta a luaitear anseo a chumhdú mar chearta i sochaí fhorchéimnitheach. Is féidir prionsabail eile a bheith ann. Is féidir soiléirithe úsáisáideacha nó athruithe a bheith de dhíth. Ach, tá súil againn go bhfeicfear ábhar díospóireachta sa cháipéis seo.

Tá sé ar intinn ag Sinn Féin ábhar na cáipéise seo a phlé le dreamanna tré shochaí na hÉireann – grúpaí pobail, ceardchumainn, eagraíochtaí deonacha agus páirtithe agus tuairimí polaitiúla de ghach uile shaghas.

Ba mhaith linn bhur mbarúlacha a chluinstin – mar dhaoine aonair nó mar bhaill d'eagraíochtaí éagsúla. Ba mhaith linn díospóireacht a spreagadh agus smaointe a ghríosú. Teastaíonn Cairt Chearta do Gach Duine uainn.
